*Due to a course management issue, these runners were made to run an incorrect route. While their times are not official, after conferring with the winners, an agreement was made to allow their approximate 5K race time to count for awards. Go Time! has listed those times agreed upon in the results but in no way certifies their legitimacy.

**Due to a course management issue, this runner was made to run an incorrect route.

After conferring with the runner it was determined her time would have likely been 21:30.

She and another runner were both awarded the third place prize.
