

Ainsley's Angels in Southeast North Carolina

2018 Anniversary Ball and Inaugural Frosty 5k

Ainsley's Angels in Southeast North Carolina is excited to announce the date for our 2018 Anniversary Ball on December 14, 2018 at the Blockade Runner Beach Resort in Wrightsville Beach, North Carolina, and to introduce our inaugural Ainsley's Angels Frosty 5K to follow on Saturday morning, December 15, 2018, at the Pointe at Barclay in Wilmington. In an effort to continuously spread the word of inclusion, we are inviting you to take part in this AAmazing event and experience the pride we take in supporting the cause.

In addition to ensuring that everyone can experience endurance events, Ainsley's Angels of America aims to build awareness about America's special needs community through inclusion in all aspects of life, by promoting awareness, providing education, and participating as active members in local communities. In order to meet our mission and to continue to provide services to our community, we rely on the generosity of individuals and businesses for support. Without like-minded individuals like you, we would not be able to make any of what we do as a nonprofit organization possible.

We ask if you would consider supporting our annual fundraiser by making a cash donation, in-kind donation, or sponsorship. Your generosity will make a difference and continue to support the cause by allowing us to purchase new equipment for riders, perform maintenance on equipment, and continue to allow each and every rider to never have to pay for an endurance event out of their own pocket.

We have enclosed a sponsorship packet for your convenience. Every donation makes a difference and continues to keep us an AAmazing nonprofit organization.

Thank you for taking time to read over our sponsorships and considering a donation. If you have any questions, please contact our Local Ambassador, Kelley Siboun at SoutheastNC@AinsleysAngels.org

Thank you for your support!

Kindest Regards,

Ainsley's Angels in Southeast North Carolina
