What's in it for Me?

By becoming a sponsor for NSEA Swim Sprint for Swimclusion, you will receive many benefits. When your group contributes to this event, you are helping to prevent drowning in the community, engaging local families, and encouraging healthy lifestyles.

You are actively contributing to health equity in the Wilmington community, as well as making a difference in these families' lives.

You will receive recognition as a sponsor in the community as well as race entries for your employees to participate.

Who is NSEA Swim?

NSEA Swim is a 501(c)3 nonprofit in Wilmington, NC, that aims to increase water safety and prevent drowning in our community. We also wish to increase multicultural, ethnic, and socioeconomic diversity in the sport of swimming with an inclusive environment at all levels of the sport. Our goal is to build a sport community where participants can work and learn together in a safe, supportive environment.

NSEA Swim's mission is one of inclusion. In 2019, we conducted 10 weeks of free swim lessons and reached 178 swimmers. Of these participants, 95 individuals became water-safe in our required four-week lesson program, and five swimmers went on to compete in at least one USA Swimming meet. We continue to provide free swim lessons at the Northside Pool.

At its inception, NSEA Swim had no minority members. Now, our team is composed of 26% minority members, many of whom receive scholarships to cover coaching, equipment, and meet fees associated with competitive swimming.

NSEA Swim brings aquatic programs to neighborhoods in the Youth Enrichment Zone and other underserved neighborhoods in Wilmington. Not only do our swim programs promote fitness, but they prevent obesity, as swim and aerobic exercise are integral components to overall wellness.

Program statistics by disability

4 out of 62 Swimmers have disabilities

- *Legally Blind or Visually Impaired*
- *Deaf or Hard of Hearing*
- *Physical Disability* (amputation, Cerebral Palsy, dwarfism, spinal injury, mobility impairment)
- *Cognitive Disability* such as severe learning disability or Autism

Drowning Statistics

- Drowning is the #2 leading cause of accidental death for children under the age of 14. (CDC)
- Drowning claims the lives of approximately **3,500 people per year**, with nearly **25 percent being children under the age of 14**. The problem is particularly prevalent in ethnically diverse communities, where the drowning rate is almost three times the national average (CDC).
- Approximately **10 people drown every day** in the U.S., according to the Centers for Disease Control and Prevention (CDC).
- **African-American children drown at a rate nearly 5.5 times higher** than their Caucasian peers, as reported by the CDC.
- Drowning is a silent killer—most young children who drowned in pools were last seen in the home, had been out of sight less than five minutes, and were in the care of one or both parents at the time, according to the Present Child Drowning Study.
- 79% of children in households with income less than \$50,000 have little or no swimming ability.

Race Venue

The race will have a course running through Wilmington's Northside neighborhood.

It will start and finish at the historic Earl Jackson pool, which is where NSEA Swim hosts its free community swim lessons. The 5k race will be a two loop course. The 1.5 mile run will be one loop.

Race will conclude with local food trucks, music, and community engagement.
